Long-Term Supplier's Declaration for Goods with Preference Origin

Ladies and Gentlemen,

We hereby revoke our preference statement issued previously and issue a new long-term supplier's declaration to you.

The attachment includes a form following the wording of Attachment 22-16 of Implementing Regulation (EU) 2015/2447 of the Commission with reference to a material list. The list includes the countries or preference agreements for which the respective material is eligible for preference. Materials not eligible for preference are listed separately.

All earlier long-term supplier's declarations for the same period lose their validity.

You can request details of the preference agreements from your customs office responsible and from the ICC.

Preference statements that have changed in this long-term supplier's declaration are printed in bold type in the material list. We refer to the following earlier long-term supplier's declaration: 2000004463.

Best Regards

Gates Industrial Europe SARL
